Genesis 1:1 *"In the beginning God created the heavens and the earth ..."*

3 views when it comes to God.

_____ – meaning, God is a personal God who created the universe but is not part of the universe. He exists outside the space-time universe.

_____ – meaning, God is impersonal and God is literally the universe ...everything that exists, from dirt to tree to book to you is god...

_____ – meaning, there is no God.

Reasons why we believe in the Existence of God.

1. The Formation _____.

Two possibilities for anything that exists.

- *It's always existed and is therefore it's _____.*
- *It had a beginning and was _____ by something else – something outside of itself.*

It's called the _____ Argument...

2. The _____ of the Universe.

This is called the _____ Argument.

Every design has a designer
The universe has a highly complex design

Therefore the Universe has a Designer.

Psalm 19

1 The heavens proclaim the glory of God. The skies display His craftsmanship.

Hebrews 11

3 By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen.

Paul said in Romans 1

19 They know the truth about God because He has made it obvious to them.

20 For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see His invisible qualities—His eternal power and divine nature. So they have no excuse for not knowing God.
